

Annual Impact Report

2023
year in review

Our Mission

Through the saving knowledge of Jesus Christ, we will defend life from the moment of conception, educate women who may be pregnant, promote a Godly view of sexuality, and strive to bring healing to those who have experienced abortion.

Who We Are

Women's Resource Center is driven by compassion for women and families facing difficult pregnancy situations. What began as a small hotline in 1990 has grown into a comprehensive support network, empowering clients, and preserving life. The Center expanded, opening offices to offer essential services. The Covington Center was closed in 2022, and the Mobile Medical Unit was launched to reach rural communities. Our service models aim to effectively support women at risk of abortion and provide life-saving measures for the unborn.

What We Do

The Center provides high quality medical care, at no cost to its clients, to educate and support women and their families experiencing unplanned pregnancies. WRC also equips the communities around them to make a life-changing impact. All services are free of charge.

WRC does not offer or refer patients for pregnancy terminations.

letter from the director

STARTING A NEW CHAPTER

Dear Friend for Life,

What an amazing year it has been witnessing God's work once again! The divine provisions, that flowed through you, not only saved lives but also enabled us to embark on a new phase of the ministry by completely transforming our mentorship program. It truly has been humbling to witness God's people uniting to protect lives and combat the adversary through our Crawfordsville Center and on board the Mobile Medical Unit.

Despite challenges, we find solace in God's sovereignty and with your unwavering support in our mission. While we are grateful for all that has been accomplished, we recognize there is still much ahead. Your contributions, prayers, time, and words of encouragement empower us to press on.

Reflecting on the 32 lives that were saved from abortion, we acknowledge their rescue would not have been possible without your involvement. Expressing gratitude adequately for each person involved in these rescues is a challenge, but please know we deeply appreciate every one of you. This report aims to illustrate the impact of your partnership and how thankful we are for your efforts in saving lives.

We extend our heartfelt thanks for being a crucial part of the ministry of Women's Resource Center and for helping shape the next chapter of our journey.

In Christ for Life,

Patti

Patti Harvey

Executive Director of Women's Resource Center

A Process Provided by YOU

Our optimized step-by-step process doesn't happen without you. It's because of you, we are able to provide services which have the greatest impact for life decisions.

Open Arms

Our volunteers and staff receive each woman with open arms in her moment of need. You provide compassion, hope, help, and truth to each woman we serve.

Pregnancy Tests

Pregnancy testing is one of our most sought-after services. Our pregnancy tests are of the highest quality, rated at 99.9% accuracy in laboratory settings. Our goal is to provide compassionate support and assistance every step of the way to help clients choose life.

Ultrasound

Studies show that 85% of women considering abortion will choose life for their unborn child after seeing an ultrasound. This remarkable statistic highlights how this medical tool can truly be a lifesaving resource.

Lives Saved

Our services save lives. Not all women considering abortion share their final decision with us, but we know AT LEAST these babies were saved after their mothers came to us seeking help. We were able to minister to them and provide free services.

STI Testing

STI testing and treatments allow us to discuss abstinence and the concept of sexuality as designed by God. The STI services were initiated in 2022.

Car Seat Safety

Did you know that 80% of children's car seats are installed incorrectly? That's a startling statistic, but the good news is WRC is a certified car seat fit station for the state of Indiana. Our certified technicians ensure car seats are properly installed and adjusted for maximum safety.

Christ's Ministry

I recently counseled a woman who was undecided about what she wanted to do with her baby but was seriously considering abortion. The patient was considering her options for several reasons. Being uncertain of the paternity of the child was the primary reason. In addition, she had previously had a high-risk pregnancy, plus her financial situation was uncertain. All three of these issues are common reasons a woman may consider abortion.

Fortunately, the ultrasound saw a tiny 5-millimeter baby with a great heart rate that was easy to hear. That little booming sound—the sound of life—spoke louder than any words I could say.

As I spoke with the patient about the services and programs available to her, she told me she wanted to keep her baby and was grateful to have a place like WRC available to help and support her.

I offered her a second ultrasound in a couple of weeks so I would have another opportunity to talk and support her.

I have a great deal of gratitude for this clinic, which is God's ministry. It means so much to me that Women's Resource Center offer free, high-quality medical services to our clients. We care about women and how we can best serve them. Christ's love and your partnership are shown in everything we do.

"I am a stay at home mom. I've never had a place to go to when needing support. So WRC has been great to me and my family. I absolutely love Women's Resource Center."

Review from a mentorship client

THE POWER OF *Prayer*

Our Prayer Team plays a crucial role in our life-saving efforts. The impact of your devoted prayers may be immeasurable, but we deeply appreciate your unwavering dedication and support. Your prayers give our clients the strength and direction required to overcome the obstacles they face.

We firmly believe in the transformative power of prayer, and we are blessed to have a community of prayer warriors who consistently lift us up in prayer. We extend our heartfelt gratitude for your valuable service. May God bless you abundantly for your steadfast faith and commitment to advocating for LIFE.

SAVING BABIES IN A POST-ROE ERA

Mary, who lives in a large city far away, called our Center wanting an ultrasound appointment that same day. She was considering her options, with abortion being her first choice, but said she would keep the baby if she was further than six weeks along. Her reasons for abortion: she and the baby's father were not together, he had other children, and would not support them. Also, Mary wasn't sure she had the financial means to support this new baby. **During her ultrasound appointment, I saw a beautiful nine-week old baby! Praise the Lord! Mary declared she was going to parent her child.**

Indiana has a ban on abortion. The closest abortion clinics are in Illinois, at least two hours away. Women seeking abortion are first reaching out to centers like WRC that are closer to home and provide free medical services. Since the ban, I have seen more women than ever before who are seriously considering abortion. I thank God for every opportunity He provides for us to care and minister to these women.

Diaper Giveaways

In 2023, we were able to host an amazing four diaper giveaways - two in Fountain County and two in Crawfordsville. We are in awe of the generosity and support from our community partners, Legacy Church, and East Side Baptist. Both churches stepped up to provide diapers and minister the Gospel of Christ to those who attended the giveaways.

Additionally, we organized five Cute Threads events, offering free secondhand clothing to the communities. All five of the events were well received.

Erica & Olivia, WRC staff members, enjoyed meeting families & signing them up for WRC's mentorship program during a Cute Threads event.

Community for LIFE

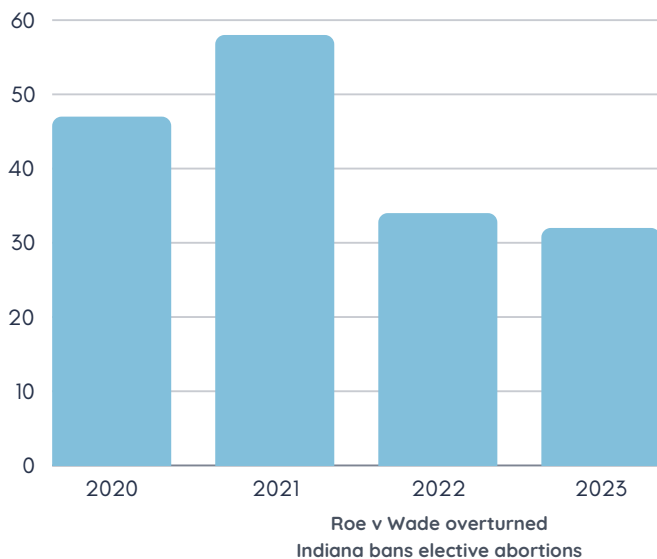

Patti Harvey, WRC Executive Director, has done incredible work this past year. She visited 18 community groups, from churches to biker groups, to share our mission of saving babies. Patti also brought the Mobile Medical Unit to 14 of these events, allowing supporters to see it up close. This hands-on approach has been crucial in educating and inspiring community involvement. We are grateful to everyone who invited Patti to speak and share our message.

NAVIGATING THE OVERTURNING OF ROE V WADE

We are so grateful for the steadfast support of our community as we continue to navigate the shifting landscape. Though the number of babies saved has dipped a bit, we still come in contact with a number of women seeking an abortion. We've been able to pour even more resources into mentorship, support groups, and supplies for expectant mothers as they choose LIFE.

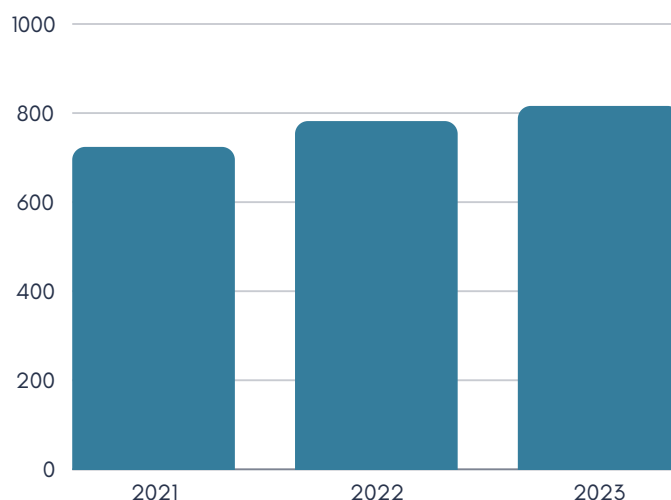

MORE DONORS = MORE LIVES SAVED

Your generosity is transforming lives. Each contribution, no matter the size, brings us closer to our mission. Your partnership and commitment are invaluable. **You are not just donors - you are lifesavers.** Your gifts fuel our ability to create powerful change. Together, we are writing the next chapter of hope.

Leaving a Legacy

With our optimized patient process, all of our resources are focused on reaching women and providing services that will empower them to choose LIFE for their unborn child.

At our Center, we understand facing an unplanned pregnancy can be overwhelming and scary. That's why we are committed to providing a safe and supportive environment for women to learn about their options and make informed decisions.

Your support allows us to provide high-quality care and support to every woman who walks through our doors. From free pregnancy tests to ultrasound scans and counseling support, we put all our resources into helping them through their unplanned pregnancies.

We believe every life is precious and deserving of love and care, and we are here to support women as they navigate this challenging time in their lives. Our goal is to empower women to choose life for their unborn child and to provide them with the resources and support they need to thrive as mothers and caregivers.

We are truly grateful to all the generous donors who have made contributions in honor of their beloved family members and friends. The names listed on this page are a testament to the love and admiration they hold for these special individuals. We have sent personalized cards to let them know of the thoughtful gesture.

Meet some of WRC's babies!

2023 Baby Bottle Campaign Report!

We are thrilled to share our 2023 Baby Bottle Campaign was an incredible success! Thanks to the generous support of our communities, we raised \$50,153 to support mothers, children, and the precious unborn.

This campaign is so important in providing essential resources and care to vulnerable families. The funds raised will make a tangible difference in the lives of local women and children facing challenges. We are grateful to every church and individual who participated and donated.

We are incredibly grateful to the Montgomery County Community Foundation for their generous \$7,500 grant to support our critical work. The funding allowed us to purchase much-needed medical supplies and infant care items.

2023 Event Sponsors

We are grateful to our amazing sponsors who helped make our 2023 fall banquet a huge success! Their generosity covered the costs of the event, allowing attendees to directly support WRC.

Income & Donor Statistics

Sources of Income 2023

Often, it's the free services that compel a woman to schedule her appointment. When she understands we don't benefit from any decision she makes and the care she receives has been provided by generous donors, she truly feels the love of Christ. Every gift makes an impact and helps provide life-affirming care at our clinics. We are so grateful for the support of our donors and are committed to using these resources wisely to fulfill our mission.

Introducing

ENCOURAGING MOMS' CLUB

UPLIFTING MOMS. FAITHFUL FELLOWSHIP.

The Encouraging Moms' Club has gained momentum since its inception in 2023, providing vital support and resources to women. The program has seen remarkable growth, with six active groups across three locations. The club offers monthly group meetings with meals, devotionals, and fellowship. The mentorship program is the heart of the club. Clients are paired with dedicated mentors to address a range of topics. Some have transitioned from abusive situations into healthier relationships with the support of their mentors. The support group's devotional topics cover parenting, relationships, and Christ's love. Volunteers are needed to facilitate classes, watch children, prepare meals, and serve as mentors.

"I highly recommend the Encouraging Moms' Group to any mom that is needing someone to talk to or any help at all."

"I would give EMG a 10! This group is amazing and I wish I knew more moms to tell about this amazing group!"

Dear Friend for LIFE,

Every day, we witness the miracle of hearts transformed and lives saved. We remember you make this work possible. If only you could look into the eyes of every baby saved and every mother filled with renewed hope - you would see the profound impact you have made. Your generosity and compassion have made this life-changing work possible. From the bottom of our hearts, thank you for your unwavering support. We are forever grateful.

For LIFE,
The Team at Women's Resource Center

Erica

BE THE LIFELINE

The work we do would not be possible without YOU! As we double down on our efforts to save lives, we ask you to prayerfully consider partnering with us. Together, we will bring an end to abortion!

Become a LIFE - giving partner

LIFE-giving partners are Women's Resource Center dedicated individuals or churches that have made a monthly commitment to partner with us.

Give a gift of any size

Whether it's donating to a cause, volunteering your time, or simply reaching out to someone who needs support, every little bit truly does count. We sometimes underestimate the power of our actions, but every gift has the potential to change someone's life.

Legacy Gifts

Women's Resource Center accepts all forms of planned gifts, including gifts of stock, IRA rollovers, and charitable remainders. You can make a lasting impact by naming Women's Resource Center as a beneficiary of your will, trust, or retirement account. WRC will work with your trusted advisers at your convenience.

The Montgomery County Community Foundation offers an opportunity to contribute to Women's Resource Center's fund. If interested, please contact Patti.

Matching Gifts

If your employer offers matching grants, you can ask them to include Women's Resource Center.

Questions about giving to Women's Resource Center?

Please contact Patti at 765-362-3180 or womensresourcecenter2@gmail.com for more information.
